

Hello! Lisa B. here and I want to share this with you because I have to (Amazon says so) but most importantly I want to. Being transparent is so important in our sometimes crazy world. So with that.. here goes.

I've been sharing tea and health news with you for a few years and I've never asked for a penny. My desire has always been to provide you with the best reviews and connections the industry offers. Today I am disclosing that I will be including certain products and links to those products that I will earn an affiliate commission for any purchase you make. In doing so I will be able to generate a little income for myself (if you have a website you should too).

I want you to know that any link (affiliate or not) that is posted on my site is a product I believe in, investigated and stand behind 120%. I will not put up links just to make money, that will not happen because I do not believe in being a marketer just an amazing tea drinker who needs to buy a few extra cups of tea now and again.

I want you to feel confident that you will be getting the best things that I can find to offer you and I will never link to anything I do not trust or believe in.

Any questions or concerns do not hesitate, contact me using the contact form on this site.

Thank you so much for your support. You are awesome, amazing and beautiful to me!

Simple,

Lisa B.
